

Chandigarh Engineering College-CGC Landran , Mohali
Department of Electronics & Communication Engineering

Sr. No.	Name of Industry	Effective Since	Type of Industry	Lab Associated	Objective's	Summary of Events	Effectiveness
1	Texas Instruments 	04.04.2016	Production & Supplier of Kits	Research Lab/Project Lab -I	To motivate students to learn latest tools & participate in competitions	Competitions , Expert talk , Workshop	Participated in various competitions
2	Advance Technology  AdvanceTech	11.09.2013, renewed on 7.12.2021	Production & supplier of Kits	Embedded System Lab	To equip stakeholders with Knowledge	Expert talk , Training on Kits.	Students were trained on various technological tools.
3	Eureka Electrosoft Solutions Private Limited  EESPL Changing Idea into Reality	23.11.2016	Training with Software & Hardware Solutions	Machine Vision Lab	To provide excellence in the latest trends of technology	FTCP's Training's, Expert talk.	Students were disseminated with knowledge on latest trends of technology
4	Vesta Electrocontrols  ESTD ELECTROCONTROL	13.03.2019 , renewed on 10.12.2021	Production & Training	----	To facilitate students with modern tools & technology	Training , Expert talk	Students were made aware of industrial automation & IOT
5	Fly X Technologies  FLY-X AEROSPACE	28.03.2019	Production	Drone Lab	To learn about unmanned aerial vehicles & their use in industry , society & as an individual	Workshop, Expert talk , Product Design	Robotic Drones / Products are developed by students
6	TCIL-IT  ISO 9001:2015 Certified Group Consultancy Training Development TCIL-IT CHANDIGARH	14.02.2022	Telecom Consultant & Training	----	To provide knowledge in the field of telecommunication & IOT	Expert talk , Workshop	Students were made aware about design told & IOT

Chandigarh Engineering College-CGC Landran , Mohali
Department of Electronics & Communication Engineering

7	Wonder System Private Limited 	17.03.2022	Production & Training	-----	To excel students in the field of Industrial automation , Process & control	Industrial Visit & Workshop/ Expert talk	Students were made aware about industry 4.0 & IOT
8	Amber group Enterprise India Limited 	29.09.2023	Amber Enterprises India Ltd is a prominent solution provider for HVAC Industry in India and Industrial Research		To provide knowledge in the field of Industrial Process & Control	Industrial Visit & Expert talk	Students were made aware about core electronic Products & designing
9	Core Champ Technologies Private limited , Delhi 	23.02.2023	Core champ Works on AI , Robotics & IOT & many other cutting edge technologies	Advanced Antenna & Radiating Lab	To provide knowledge in the field of Robotics & Embedded system	Training , Workshop & Expert talk	Students were made aware about Ai & Robotics & Embedded system
10	Digitoad Tecnologies Bengaluru 	22.8.2023	Digitoad is a core Embedded system & software based company provide solutions for power Lab ecosystem	Virtual Instrumentation	To provide knowledge in the field of Embedded system & software	Training , Expert talk and workshop	Students were made aware about Embedded system & software
11	The Core Systems 	10.12.24	The Core Systems employ adaptable software and hardware services / product development	----	To provide knowledge in the field of software and hardware services	Training , Expert talk and workshop	Students will be made aware about hardware & software
12	Hoping Minds 	11.02.25	The hoping minds provides Training with Software & Hardware Solutions	----	To provide knowledge in the field of software and hardware services	Training , Expert talk and workshop	Students will be trained on various technological tools
